

**HOUSING & COMMUNITY DEVELOPMENT
CORPORATION OF HAWAII (HCDCH)**

On behalf of the State of Hawaii and the employees of the HCDCH we invite the following professionals to join us in becoming a High Performer Agency.

Resident Services Program Specialist **(\$37,000+)**

Assist and oversee activities for planning, contracting and/or directing of support services programs such as safety and crime prevention, case management and counseling, resident councils, and social and economic self-sufficiency activities.

Housing Information Specialist **(\$32,000+)**

Acts as the media liaison. Responds to the media's information needs regarding state housing activity. Disseminates information that increases public awareness of the Corporation's programs, services, projects and accomplishments.

Housing Warranty and Inspection Technician **(\$34,000+)**

Develops inspection plans and performs inspections on all units/projects during construction for quality control and conformance with plans and specifications, and compliance with applicable laws.

The above is exempt non-civil service position. For more information on the above positions go to www.hcdch.hawaii.gov. HCDCH is an equal employment opportunity employer. Please submit your resume and salary requirements by close of business August 4, 2004.
